RESULT

Row ID	Field	Indicator metadata
1	Indicator code	RCR65
2	Indicator name	Annual users of new or modernised facilities for employment services
3	Measurement unit	users/year
4	Type of indicator	result
5	Baseline	>=0
6	Milestone 2024	not required
7	Target 2029	>0
8	Policy objective	PO4 Social Europe
9	Specific objective	SO 4.i Effectiveness of labour market and access to quality employment
10	Definition and concepts	The number of registered annual users of the new or modernised facility for employment services. The number of registered users is to be determined based on the administrative records of the facility. The baseline of the indicator refers to the number of users registered for the year before the intervention starts, and it is zero for newly built facilities.
11	Data collection	Supported projects
12	Time measurement achieved value	One year after the completion of output in the supported project
13	Aggregation issues	
14	Reporting	*Rule 1: Reporting by specific objective* Forecast for selected projects and achieved values, both cumulative to date (CPR Annex VII, Table 3).

7	Target 2029	>0
8	Policy objective	PO4 Social Europe
9	Specific objective	SO 4.ii Improving access to inclusive quality services in education, training and lifelong learning
10	Definition and concepts	Classroom capacity in terms of maximum number of places in the new or modernised childcare facilities at a given point in time. Classroom capacity should be calculated in accordance with national legislation, but it should not include teachers, parents, auxiliary personnel or other persons who may use the facilities too.

Childcare facilities such as crèches and pre-schools are designed for children from birth to the start of primary education. The indicator covers childcare facilities that are newly built or modernised (for example, for increasing hygiene and safety standards), and it does not include energy rennovation or maintenance and repairs. |
